

WHY ARE WE STILL SENDING DUMB DOCUMENTS IN THE AI AGE?

PDF made documents portable. UD is designed to make them portable, understandable and verifiable.

PDF

Read it
Search it
Send it

UNIVERSAL DOCUMENT

Read it · Ask it questions
See what changed
Know whether it is living or final
Check whether a sealed final was altered
Open browser-ready, with no UD app
Still export PDF when required

You don't give up what makes PDF convenient. You add what PDF leaves out.
